Official Form 101

Voluntary Petition for Individuals Filing for Bankruptcy

12/15

The bankruptcy forms use you and Debtor 1 to refer to a debtor filing alone. A married couple may file a bankruptcy case together-called a joint case-and in joint cases, these forms use you to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be yes if either debtor owns a car. When information is needed about the spouses separately, the form uses Debtor 1 and Debtor 2 to distinguish between them. In joint cases, one of the spouses must report information as Debtor 1 and the other as Debtor 2. The same person must be Debtor 1 in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5:

Explain Your Efforts to Receive a Briefing About Credit Counseling

Tell the court whether you have received a briefing about credit counseling.

> The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1:

You must check one:

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any,

I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy. If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

I am not required to receive a briefin	g about
credit counseling because of:	

Incapacity. I have a mental illness or a mental

deficiency that makes me incapable of realizing or making rational decisions about finances.

Disability. My physical disability causes me

> to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

Schedule C: The Property You Claim as Exempt

12/15

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on Schedule A/B: Property (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of Part 2: Additional Page as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions-such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds-may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Consultation Attorney: ADD

The undersigned hires Geraci Law L.L.C. and its associated attorneys for representation in a Chapter7 bankruptcy under the following

terms and conditions: This amount does NOT INCLUDE court filing fees of \$335, or costs Attorney fees for the Chapter 7 bankruptcy are \$ for credit counseling or financial management classes. This fee is based on the anticipated amount of work required to complete my case, and upon the information I have provided to date. If any information is incomplete or incorrect, the advice or Chapter may have to change, and this fee may have to be adjusted. This fee includes all work in the representation of my normal Chapter7, including preparation of my bankruptcy petition, schedules and other documents, first341 meeting, reaffirmations, normal correspondence with my creditors and myself, but does NOT include excessive work caused by you, missed 341 meetings, reopening the case,

amendments to schedules, work on audits or asset cases, objections to exemptions, conversion to another chapter, evidentiary hearings, other contested matters or motions, or adversary proceedings, because these cannot be predicted in setting a flat fee. For work done on these matters, we bill between \$275/hr and \$450/hr for attorney time, based on the attorney doing the work, and \$85 to

\$125/hr paralegal time. I agree that more than one attorney and paralegal will work on my case.

Fees are "flat fees" and "advance payment retainers" for pre-filling work, become property of this firm on payment, and are deposited into the firm's operating account. Payments are applied to the "flat fee". You may elect to be billed on an hourly basis, but we have found a flat fee is cheaper and benefits you. If this contract is terminated by either party prior to the filing of the case, the firm will refund unearned fees based on the above rates with an accounting, and on request, submit any dispute to binding arbitration within 30 days. If I close my file or breach this contract I agree to pay for the work done to that time. I assign to my attorney all amounts tendered as filing fees or court costs and authorize my attorney to transfer said funds from his trust account to his operating account in payment of all outstanding fees owed by me if case is not filed.

I understand that bankruptcy laws only allow me to protect a certain amount of my property, and if I have any unprotected property, I understand my Chapter 7 Trustee can sell it if I do not or cannot buy out the Trustee's interest and that the U.S. Trustee may object to my filing a Chapter 7 if they believe I have excess income and should be filing a Chapter 13.

I agree to fully cooperate with my attorneys and provide all information requested at any point during the case. I understand that if I do not fully cooperate or provide complete and accurate information, my attorneys may withdraw from representation of me, with the permission of the Court.

If I have secured debts that I wish to retain (mortgages, financed vehicles or other financed property) that I may be required to sign a reaffirmation agreement with the creditor in order to keep the property, and I must remain current on my payments. Many mortgage and car companies refuse to reaffirm the debt but we have found that if you keep up your payments you keep the property anyway.

Debts not discharged if they not paid in full: student loans; educational debts & tuition; most tax debts: unfiled, trust fund or late filed tax; undisclosed debts; support/maintenance debts; fines, debts incurred by fraud, or after the case is filed, future condo/HOA dues,or debts listed in your red or green folder as usually not discharged, or found non-dischargeable by a Judge.

Representation limited to Bankruptcy Court We don't represent you in state court, or loan modifications or similar matters.

I cannot transfer any property or incur any credit or debt without the express permission of my attorney or the Court and I must make full disclosure of all income, expenses, debts and assets in my initial consultation and on my bankruptcy petition.

I understand that if I fail to take my financial management class after filing but before discharge, my case may be closed without a discharge, and I will be required to pay fees and costs to have it reopened. I have received the 11U.S.C § 527(a) disclosures.

UNITED STATES BANKRUPTCY COURT

NOTICE TO CONSUMER DEBTOR(S) UNDER §342(b) OF THE BANKRUPTCY CODE

In accordance with § 342(b) of the Bankruptcy Code, this notice to individuals with primarily consumer debts: (1) Describes briefly the services available from credit counseling services; (2) Describes briefly the purposes, benefits and costs of the four types of bankruptcy proceedings you may commence; and (3) Informs you about bankruptcy crimes and notifies you that the Attorney General may examine all information you supply in connection with a bankruptcy case.

You are cautioned that bankruptcy law is complicated and not easily described. Thus, you may wish to seek the advice of an attorney to learn of your rights and responsibilities should you decide to file a petition. Court employees cannot give you legal advice.

Notices from the bankruptcy court are sent to the mailing address you list on your bankruptcy petition. In order to ensure that you receive information about events concerning your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address. If you are filing a joint case (a single bankruptcy case for two individuals married to each other), and each spouse lists the same mailing address on the bankruptcy petition, you and your spouse will generally receive a single copy of each notice mailed from the bankruptcy court in a jointly-addressed envelope, unless you file a statement with the court requesting that each spouse receive a separate copy of all notices.

1. Services Available from Credit Counseling Agencies

With limited exceptions, § 109(h) of the Bankruptcy Code requires that all individual debtors who file for bankruptcy relief on or after October 17, 2005, receive a briefing that outlines the available opportunities for credit counseling and provides assistance in performing a budget analysis. The briefing must be given within 180 days **before** the bankruptcy filing. The briefing may be provided individually or in a group (including briefings conducted by telephone or on the Internet) and must be provided by a nonprofit budget and credit counseling agency approved by the United States trustee or bankruptcy administrator. The clerk of the bankruptcy court has a list that you may consult of the approved budget and credit counseling agencies. Each debtor in a joint case must complete the briefing.

In addition, after filing a bankruptcy case, an individual debtor generally must complete a financial management instructional course before he or she can receive a discharge. The clerk also has a list of approved financial management instructional courses. Each debtor in a joint case must complete the course.

2. The Four Chapters of the Bankruptcy Code Available to Individual Consumer Debtors

Chapter 7: Liquidation (\$245 filing fee, \$75 administrative fee, \$15 trustee surcharge: Total fee \$335

Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts. Debtors whose debts are primarily consumer debts are subject to a "means test" designed to determine whether the case should be permitted to proceed under chapter 7. If your income is greater than the median income for your state of residence and family size, in some cases, the United States trustee (or bankruptcy administrator), the trustee, or creditors have the right to file a motion requesting that the court dismiss your case under § 707(b) of the Code. It is up to the court to decide whether the case should be dismissed.

Under chapter 7, you may claim certain of your property as exempt under governing law. A trustee may have the right to take possession of and sell the remaining property that is not exempt and use the sale proceeds to pay your creditors.

The purpose of filing a chapter 7 case is to obtain a discharge of your existing debts. If, however, you are

found to have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your discharge and, if it does, the purpose for which you filed the bankruptcy petition will be defeated.

Even if you receive a general discharge, some particular debts are not discharged under the law. Therefore, you may still be responsible for most taxes and student loans; debts incurred to pay nondischargeable taxes; domestic support and property settlement obligations; most fines, penalties, forfeitures, and criminal restitution obligations; certain debts which are not properly listed in your bankruptcy papers; and debts for death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs. Also, if a creditor can prove that a debt arose from fraud, breach of fiduciary duty, or theft, or from a willful and malicious injury, the bankruptcy court may determine that the debt is not discharged.

<u>Chapter 13</u>: Repayment of All or Part of the Debts of an Individual with Regular Income (\$235 filing fee, \$75 administrative fee: Total fee \$310)

Chapter 13 is designed for individuals with regular income who would like to pay all or part of their debts in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, using your future earnings. The period allowed by the court to repay your debts may be three years or five years, depending upon your income and other factors. The court must approve your plan before it can take effect.

After completing the payments under your plan, your debts are generally discharged except for domestic support obligations; most student loans; certain taxes; most criminal fines and restitution obligations; certain debts which are not properly listed in your bankruptcy papers; certain debts for acts that caused death or personal injury; and certain long term secured obligations.

Chapter 11: Reorganization (\$1,167 filing fee, \$550 administrative fee: Total fee \$1,717)

Chapter 11 is designed for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

Chapter 12: Family Farmer or Fisherman (\$200 filing fee, \$75 administrative fee: Total fee \$275)

Chapter 12 is designed to permit family farmers and fishermen to repay their debts over a period of time from future earnings and is similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family-owned farm or commercial fishing operation.

3. Bankruptcy Crimes and Availability of Bankruptcy Papers to Law Enforcement Officials

A person who knowingly and fraudulently conceals assets or makes a false oath or statement under penalty of perjury, either orally or in writing, in connection with a bankruptcy case is subject to a fine, imprisonment, or both. All information supplied by a debtor in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the United States Trustee, the Office of the United States Attorney, and other components and employees of the Department of Justice.

WARNING: Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information regarding your creditors, assets, liabilities, income, expenses and general financial condition. Your bankruptcy case may be dismissed if this information is not filed with the court within the time deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and the local rules of the court. DISCLAIMER Deptors have read and agree:

- 1. Divorce or family support debts to a spouse, ex-spouse, child, guardian ad litem or similar person or entity in connection with a separation agreement, divorce decree or court order are not dischargable. Priority support debts must be paid in full in your Chapter 13 or it cannot be confirmed. DEBTS YOU AGREED TO ASSUME IN MARITAL SETTLEMENT AGREEMENTS are NON-DISCHARGEABLE if your ex-spouse files an adversary complaint, and the Judge rules that (a) you do not have the ability to pay the debt OR (b) discharging such debt would result in a benefit to you that outweighs the detriment to ex-spouse or your child. You agree to get advice in writing from your divorce attorney and send to us with copy of agreement. You must list any ex-spouse or spouse as a creditor. Chapter 7 and sold, or may be disposable income in a 13.
- 2. Student loans and educational benefits are not discharged in Chapter 7 or 13 if government insured loan or owed to non-profit school unless you pay us to file a complaint within the bankruptcy to prove repayment would be an "undue hardship", and win. Interest on student loans continue to run while you are in a Chapter 13.
- 3. Cosigners, joint applicants, debts of persons other than debtor, debts incurred during marriage in community property states, or for family support are not discharged and joint, community or co-signers are not protected from collection unless you pay 100% of the debt. Creditors can collect from co-signers and put your bankruptcy on their credit report, and report them negatively to credit bureaus. You may prevent this by making the regular payments to the creditor. Creditors can liquidate collateral of your co-signer and refuse to continue payment in installments. Property you are joint on with other persons can be
- 4. TAX DEBTS. Most taxes are not discharged in bankruptcy. However, income tax debt (1040 type tax) can be discharged if the following four rules are met: (1). The tax return was DUE at least 3 YEARS (plus extensions) before the filling of your bankruptcy case. (2). You FILED your income tax return at least 2 YEARS before your bankruptcy was filed. (You did not file a return if the tax authority or IRS had to file one for you, or if you didn't send the return to the District Director) (3). You did not wilfully intend to evade the tax. (4). The tax must have been ASSESSED over 240 DAYS before the bankruptcy filing. We recommend you meet with the IRS or state department of revenue to make sure all the conditions have been met, before you hire us or file a bankruptcy. Fraudulent taxes and taxes on unfiled returns can be discharged in a Chapter 13 case. Time in an offers in compromise, & time in bankruptcy plus 6 months, will extend the above time periods. Employers' share of FICA & FUTA is dischargeable, but not trust fund taxes like the employee's funds or sales tax.
- 5. Fines, traffic tickets, parking tickets, penalties to governmental unit are not discharged in Chapter 7, may not be discharged in 13 without full payment.
 6. Non filing spouse: If you file individually, your spouse is not our client. Only your debts are discharged. If you want to protect a non-filing spouse, pay their property is liable for community debts. 7. DUI PERSONAL INJURIES, DEBTS YOU DON'T LIST are not discharged.
- 8. DEBTS where creditors successfully object to discharge may survive Creditors, the Trustee, or Court, can try to deny discharge based on many factors, a. Income sufficient to pay a percentage of your unsecured debt. b. Failure to keep books and records documenting your financial affairs. c. Luxury purchases or cash advances within 60 days of filing or without intent or ability to repay. d. Debts you made by false pretenses, breach of fiduciary duty, wilful and malicious injuries to others e. Benefit overpayments like aid or unemployment if a determination of fraud has been made before or during bankruptcy. f. Failure to appear
- 9. INTEREST ON NON-DISCHARGEABLE DEBTS in a Chapter 13 continues to accrue, and CREDITORS WHO DO NOT FILE CLAIMS in your Chapter 13 plan within 90 days (180 days for governmental units) of the meeting of creditors, do not get paid. Your plan and their claim should provide for interest at contract rate, or you will have to pay the debt outside the Chapter 13 plan. Property taxes must be paid by you directly to avoid sale for delinquent taxes.
- 10. LIQUIDATION OF REAL AND PERSONAL PROPERTY. If you file a Chapter 7, any property that is not listed and claimed exempt on Schedule C pursuant to state or federal law is taken and sold by the trustee to pay creditors. You agree to assume the risk that your property will be taken and sold by the bankruptcy trustee (at or less than what it is worth) if we can't protect it under applicable state law. You get a discharge, but the trustee can take property not listed and exempted on schedules B and C and sell it for whatever price will provide some benefit to creditors.
- 11. CHANGE IN LAWS. Laws & court cases change constantly. We can file your case today if you pay us in full (some attorneys give credit, we don't) pay the filing fee and sign your petition in our main office. ANY DELAY either in hiring us, or after, IS YOUR REPSONSIBILITY. ADVERSE RULINGS Judges that sit in adjoining courtrooms can rule differently on the same facts. We can predict but can't guarantee a judge will or will not rule against you. You accept the risk of a judge ruling against you, as in any lawsuit.
- 12. PAYMENTS TO CREDITORS YOU PREFERRED to pay more than \$600 in front of others, within 1 yr if a relative or insider, or within 90 days if another creditor, so don't pay off debts to keep credit cards or protect others. TRANSFERS OF PROPERTY within 4 years that made you unable to pay your debts at the time can be reversed by a Trustee and the transferee will have to give back the property you transferred.
- 13. SURRENDER OF PROPERTY Bankruptcy gets rid of debts, but real estate, condos and time shares remain in your name until a foredosure sale or the lender accepts a deed in lieu of foreclosure. Turn condo keys over to condo association or remain liable for assessments after filing, and make sure you keep buildings & land insured and maintained and secured until it is taken back by lender or out of your name. If you let a house go vacant and pipes explode or someone gets killed in there you may be liable.
- 14. RIGHT TO RECEIVE inheritances, tax refunds, injury claims, compensation of any kind, insurance or realty commissions, are property of the bankruptcy estate and you will surrender these to the trustee unless they are claimed exempt on Schedule C, and no objection to your claim of exemption is upheld. Do not deduct extra money from taxes so you are entitled to a refund, change your W-9 if necessary.
- 15. JOINT ACCOUNT HOLDERS holders entire amount in the account could be taken by the trustee under Chapter 7.
- 16. MARRIED COUPLES GOING THROUGH DIVORCE: We have been advised to seek independent counsel for our bankruptcy. We understand that Peter Francis Geraci does not represent us with regard to any divorce matters and does not make any representations regarding what will happen in divorce court. We have decided to file a bankruptcy together dispite the fact that we are getting a divorce and our interests could be adverse. We have agreed to cooperate with each other in this joint bankruptcy.
- 17. AUTO LEASES & INSTALLMENT AGREEMENTS to purchase things, leases and almost all contracts will be void after bankruptcy. They are "executory contracts", and if they are of no benefit to the bankruptcy estate and not assumed within 60 days of filing, they are void. Debtors have been warned of this, and unless there is a novation under state law, or agreement not to use bankrptcy to void the contract, the debtors rights under the contract are extinguished. Debtor agrees to be responsible for obtaining such agreements or losing rights under such contracts. Debtor agrees that his or her attorney will not file motions to assume such contracts.
- 18. Setoffs if you have money in a credit union or creditor account, or other loans that cross-collateralized, any money or property may be taken for both loans. The Undersigned have read the above & assume the risk that a debt is not discharged in bankruptcy, that our non-exempt property will be taken and sold by the bankruptcy trustee if it can't be protected, that the trustee might object if I/we have excess income, or change in State, Federal or Bankruptcy laws before the case is filed in Court AND WE HAVE TO READ, CHECK, & MAKE SURE OUR PETITION IS ACCURATE!!!!

found to have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your discharge and, if it does, the purpose for which you filed the bankruptcy petition will be defeated.

Even if you receive a general discharge, some particular debts are not discharged under the law. Therefore, you may still be responsible for most taxes and student loans; debts incurred to pay nondischargeable taxes; domestic support and property settlement obligations; most fines, penalties, forfeitures, and criminal restitution obligations; certain debts which are not properly listed in your bankruptcy papers; and debts for death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs. Also, if a creditor can prove that a debt arose from fraud, breach of fiduciary duty, or theft, or from a willful and malicious injury, the bankruptcy court may determine that the debt is not discharged.

<u>Chapter 13</u>: Repayment of All or Part of the Debts of an Individual with Regular Income (\$235 filing fee, \$75 administrative fee: Total fee \$310)

Chapter 13 is designed for individuals with regular income who would like to pay all or part of their debts in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, using your future earnings. The period allowed by the court to repay your debts may be three years or five years, depending upon your income and other factors. The court must approve your plan before it can take effect.

After completing the payments under your plan, your debts are generally discharged except for domestic support obligations; most student loans; certain taxes; most criminal fines and restitution obligations; certain debts which are not properly listed in your bankruptcy papers; certain debts for acts that caused death or personal injury; and certain long term secured obligations.

Chapter 11: Reorganization (\$1,167 filing fee, \$550 administrative fee: Total fee \$1,717)

Chapter 11 is designed for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

Chapter 12: Family Farmer or Fisherman (\$200 filing fee, \$75 administrative fee: Total fee \$275)

Chapter 12 is designed to permit family farmers and fishermen to repay their debts over a period of time from future earnings and is similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family-owned farm or commercial fishing operation.

3. Bankruptev Crimes and Availability of Bankruptev Papers to Law Enforcement Officials

A person who knowingly and fraudulently conceals assets or makes a false oath or statement under penalty of perjury, either orally or in writing, in connection with a bankruptcy case is subject to a fine, imprisonment, or both. All information supplied by a debtor in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the United States Trustee, the Office of the United States Attorney, and other components and employees of the Department of Justice.

WARNING: Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information regarding your creditors, assets, liabilities, income, expenses and general financial condition. Your bankruptcy case may be dismissed if this information is not filed with the court within the time deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and the local rules of the court.
